

# STUDENT INSURANCE COVERAGE INFORMATION

## ABOUT THIS DOCUMENT

The Pickens County School District is offering parents a student accident insurance plan with the United States Fire Insurance Company. **Please refer to the insurance application form for details.**

This company offers two types of coverage:

- 24 Hour Coverage
- School-time Only Coverage

Parents/Guardians may choose from two options:

- Basic Option
- Preferred Option

## Important Notes

1. Students will NOT have school insurance unless parents/guardians choose to enroll them.
2. This insurance will be a cop-insurance if your child is already covered by an insurance policy.
3. If you do not have any other insurance, this policy will cover up to the limits stated in the insurance application form.

**Any student participating in school athletic activities MUST take the basic coverage or provide proof of insurance.**

## Complete Form

For our records, please return this document to your child's homeroom teacher with your selection.

**If you are choosing to participate, applications and payments must be sent directly to the insurance company (see information on the application form). Do NOT send applications and money to the school.**
