April 20, 2018

Dear Pickens School District Family,

With the closing of Jasper Elementary for the 2018-2019 school year, parents of these effected students were given the freedom to request one of the three remaining elementary schools.

Our Board of Education has approved a policy granting any parents (of students currently enrolled in Kindergarten through Third Grade) the freedom to request the elementary school of their choice.

The school choice guidelines are:

- * The elementary school chosen has room for more students.
- * Parents must notify the school district in writing on or before May 18, 2018 requesting their child be permitted to attend a different school.
- * If parents choose a school outside of their assigned school district, they must provide transportation to and from school for their children.
- * If attendance, tardiness, discipline, or academics become an issue, the student will be required to return to their districted school.
- * Parents may elect to transfer their child back to their districted school during the school year; however, they may not request a transfer to any other school.

If you have any questions or concerns, please contact your child's principal or my office.

Sincerely,

A handwritten signature in black ink that reads 'Dr. Carlton Wilson'.

Carlton Wilson
