

July 22, 2021

Attention Families:

If you do not have access to our Parent Portal through Infinite Campus, you will want to! (If you have forgotten your login and/or password, follow these same instructions). KEEP READING! To sign up: SEND AN EMAIL to parentportal@pickenscountyschools.org and include your child's first and last name, their school for 21-22, grade level for 21-22, your first and last name, current address, and a telephone number where we can reach you.

Here's why you need Parent Portal access:

1. We will be releasing student schedules for ALL schools on Wednesday (7/28/21) by noon on the Parent Portal. NOTE: 9th graders who attend orientation will receive their schedules at the orientation meeting.
2. Individual Student Reports for GA Milestones will be available through the Parent Portal no later than the end of the first week of school. There are no paper reports this year. If you cannot get access to the Parent Portal to see GA Milestones scores for some reason, you can notify your child's teacher during the first week of school and a paper report will be printed and sent home with your child.
3. Parent Portal access allows you to also monitor your child's performance in his/her classes, attendance, etc. The district and schools frequently use Parent Portal to communicate with families.

Thank you!
